# CDA Home Visitor Bibliography Template

The CDA Home Visitor Professional Portfolio Resource Collection includes section **RC III**. In this section, you are required to provide a bibliography of 10 developmentally appropriate children's books that you use with families to support children. The bibliography should include the following information for each book:
- Title
- Author
- Publisher
- Copyright date
- Summary

The books must address the following subjects:
- Cultural and linguistic group identity
- Gender Identity
- Children with Special Needs
- Separation/Divorce/Remarriage/Family Structures
- Everyday activities and routines
- Other topics relevant to the family

Below you will find a template that could be used to gather all bibliographic information.
